Overall Length:

1.240 inches

Overall Width:

0.250 inches

Center To Center Distance Between Bolt Holes Along Length:

1.046 inches

Bolt Hole Quantity:

2

Material:

Steel comp 301

Material Specification:

Qq-s-766, cond full hard federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
