**Overall Length:**

2.360 inches

**Overall Width:**

0.880 inches

**Aperture Diameter:**

0.250 inches

**Special Features:**

Aperture center to edge 0.400 in. along the width and 1.180 along the length

**Material:**

Aluminum alloy 6061

**Material Specification:**

Qq-a-250/11, t6 federal specification single material response

**Style Designator:**

Rectangular

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A07000
