Overall Length:

2.360 inches

Overall Width:

0.880 inches

Aperture Diameter:

0.250 inches

Special Features:

Aperture center to edge 0.400 in. along the width and 1.180 along the length

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11, t6 federal specification single material response

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
