Overall Length:
2.360 inches
Overall Width:
0.880 inches
Aperture Diameter:
0.250 inches
Special Features:
Aperture center to edge 0.400 in. along the width and 1.180 along the length
Material:
Aluminum alloy 6061
Material Specification:
Qq-a-250/11, t6 federal specification single material response
Style Designator:
Rectangular
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A07000
