Inside Diameter:

Between 0.251 inches and 0.253 inches

Outside Diameter:

1.750 inches

Overall Thickness:

0.250 inches

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-268, t4 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
