Inside Diameter:

2.062 inches

Outside Diameter:

Between 2.662 inches and 2.672 inches

Overall Thickness:

0.032 inches

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/4 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
