Inside Diameter:

Between 2.953 inches and 2.968 inches

Outside Diameter:

3.370 inches

Overall Thickness:

0.020 inches

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-355b federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
