Overall Length:

0.800 inches

Flange Diameter:

1.000 inches

Body Diameter:

0.710 inches

Body Length:

0.415 inches

Center Hole Diameter:

0.500 inches

Flange Height:

0.260 inches

Design Type:

Single centrally located hole

Body Height Above Flange:

0.125 inches

Material:

Rubber chloroprene class cr

Material Specification:

Jan-r-1149, class 1-canceled military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A535j0

Mil-std (military Standard):

spec.
