**Inside Diameter:**

Between 18.520 inches and 18.530 inches

**Outside Diameter:**

Between 19.970 inches and 19.980 inches

**Overall Thickness:**

0.563 inches

**Special Features:**

12 holes equally spaced, 0.150 in. Dia

**Material:**

Copper alloy

**Material Specification:**

Qq-c-390 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A07000
