Overall Length:

1.187 inches

Overall Width:

1.187 inches

Overall Thickness:

0.182 inches

Bolt Hole Quantity:

3

Special Features:

9 holes total; 3 through holes on face and 6 threaded holes on sides

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11, t6 federal specification single material response

Surface Treatment:

Chromate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A07000
