Inside Diameter:

Between 0.314 inches and 0.316 inches

Outside Diameter:

0.440 inches

Overall Thickness:

Between 0.148 inches and 0.152 inches

Material:

Aluminum alloy 2014

Material Specification:

Qq-a-266, t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A07000
