Overall Length:

0.360 inches

Construction:

One-piece

Material:

Steel comp 302

Material Specification:

Ams 5516 assn standard single material response

Surface Treatment:

Passivate

Style Designator:

Square

Fsc Application Data:

Fuel control unit turbine type engine acft

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
