Inside Diameter:

1.063 inches

Outside Diameter:

Between 1.369 inches and 1.372 inches

Overall Thickness:

0.045 inches

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-355, t3 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A07000
