Hole Diameter:

0.345 inches

Overall Length:

1.260 inches

Overall Width:

0.760 inches

Outside Corner Radius:

0.380 inches

Center To Center Distance Between Bolt Holes Along Length:

0.750 inches

Bolt Hole Quantity:

3

Material:

Steel comp 1010

Material Specification:

Ams assn standard single material response

Style Designator:

Non-circular w/corner radius

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
