Inside Diameter:

Between 3.687 inches and 3.690 inches

Outside Diameter:

4.000 inches

Overall Thickness:

0.081 inches

Material:

Copper alloy

Material Specification:

Qq-b-750, comp a federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A07000
