Hole Diameter:

0.067 inches

Overall Length:

0.375 inches

Overall Width:

0.250 inches

Center To Center Distance Between Bolt Holes Along Length:

0.140 inches

Bolt Hole Quantity:

2

Material:

Aluminum alloy 5052

Material Specification:

Qq-a-250/8, h32 federal specification single material response

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A07000
