**Overall Length:**

3.875 inches

**Overall Width:**

1.750 inches

**Lamination Quantity:**

21

**Lamination Thickness:**

0.003 inches

**Features Provided:**

Separable

**Construction:**

Laminated

**Special Features:**

2 hols 0.438 in. Diameter 2.875 in. Distance center to center located 0.500 in. From outside edge to hole center along length

**Material:**

Copper alloy

**Style Designator:**

Rectangular

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A07000
