Inside Diameter:

Between 1.955 inches and 1.965 inches

Outside Diameter:

Between 2.080 inches and 2.090 inches

Overall Thickness:

Between 0.025 inches and 0.035 inches

Special Features:

Color, dyed black

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11, t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
