Overall Length:

1.375 inches

Overall Width:

1.172 inches

Lamination Quantity:

31

Lamination Thickness:

0.003 inches

Features Provided:

Separable

Construction:

Laminated

Material:

Steel comp 302 or steel comp 303

Material Specification:

Qq-s-766, con a federal specification all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A07000
