**Overall Length:**

1.375 inches

**Overall Width:**

1.172 inches

**Lamination Quantity:**

31

**Lamination Thickness:**

0.003 inches

**Features Provided:**

Separable

**Construction:**

Laminated

**Material:**

Steel comp 302 or steel comp 303

**Material Specification:**

Qq-s-766, con a federal specification all material responses

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A07000
