Inside Diameter:

Between 1.516 inches and 1.520 inches

Outside Diameter:

Between 1.660 inches and 1.670 inches

Overall Thickness:

0.120 inches

Material:

Plastic polytetrafluoroethylene

Material Specification:

Ams 3651 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A07000
