**Hole Diameter:**

Between 0.131 inches and 0.141 inches

**Overall Length:**

Between 0.450 inches and 0.470 inches

**Overall Width:**

0.480 inches

**Center To Center Distance Between Bolt Holes Along Length:**

0.210 inches

**Bolt Hole Quantity:**

2

**Construction:**

One-piece

**Hardness Rating:**

Between 30.0 rockwell c and 38.0 rockwell c

**Material:**

Steel comp 410

**Material Specification:**

Ams 5504 assn standard single material response

**Surface Treatment:**

Passivate

**Style Designator:**

Non-circular w/square corners

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A07000
