Inside Diameter:

Between 1.505 inches and 1.515 inches

Outside Diameter:

Between 1.724 inches and 1.734 inches

Overall Thickness:

0.063 inches

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5, t3 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
