Hole Diameter:

Between 0.271 inches and 0.278 inches

Bolt Hole Quantity:

5

Special Features:

Half circle shape w/outside diameter of 3.750 in. Inside radius of 1.000 in.

Material:

Steel comp xm-12

Material Specification:

Ams 5659 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
