Inside Diameter:

Between 1.045 inches and 1.050 inches

Outside Diameter:

Between 1.165 inches and 1.170 inches

Overall Thickness:

Between 0.210 inches and 0.220 inches

Surface Finish:

125.0 microinches

Material:

Plastic polyhexamethylene adipamide

Material Specification:

L-p-410 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
