Inside Diameter:

Between 0.319 inches and 0.329 inches

Outside Diameter:

Between 0.399 inches and 0.419 inches

Overall Thickness:

Between 0.027 inches and 0.037 inches

Special Features:

Color black

Material Specification:

Qq-a-250/4, t3 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
