Inside Diameter:

Between 2.508 inches and 2.518 inches

Outside Diameter:

Between 2.860 inches and 2.890 inches

Overall Thickness:

Between 0.063 inches and 0.065 inches

Material:

Plastic polyhexamethylene adipamide

Material Specification:

L-p-410 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
