Hole Diameter:

0.560 inches

Overall Length:

7.900 inches

Overall Width:

4.700 inches

Bolt Hole Quantity:

8

Special Features:

Three holes located both sides, 0.750 in. From centerline, 0.625, 4.625 and 6.625 in. From square end, one hole located both sides 0.937 in. From centerline and 2.625 in. From square end, plate tapered at 4.200 in. Lg point from 4.700 to 3.340 in. W, tapered end corners rounded 1.130 in. Radius

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
