**Hole Diameter:**

0.560 inches

**Overall Length:**

7.900 inches

**Overall Width:**

4.700 inches

**Bolt Hole Quantity:**

8

**Special Features:**

Three holes located both sides, 0.750 in. From centerline, 0.625, 4.625 and 6.625 in. From square end, one hole located both sides 0.937 in. From centerline and 2.625 in. From square end, plate tapered at 4.200 in. Lg point from 4.700 to 3.340 in. W, tapered end corners rounded 1.130 in. Radius

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A07000
