Hole Diameter:
Between 0.101 inches and 0.106 inches
Bolt Hole Quantity:
5
Material:
Aluminum alloy 2024
Material Specification:
Qq-a-250/4, t3 federal specification single material response
Surface Treatment:
Anodize
Surface Treatment Specification:
Mil-a-8625, type 2 military specification single treatment response
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A07000
Mil-std (military Standard):
Mil-a-8625 spec.
