Overall Length:

2.170 inches

Overall Width:

0.500 inches

Construction:

One-piece

Special Features:

3 slots 0.180 in. W 0.340 in. Lg unequally spaced

Material:

Steel comp 302

Material Specification:

Aisi assn standard single material response

Surface Treatment:

Passivate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
