Overall Length:

10.250 inches

Overall Width:

1.000 inches

Special Features:

One groove at each end .250 in. Wide .100 in. Deep; from end to groove .800 in. Long; center cut out 7.160 in. Long

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-225/8 t6 federal specification single material response

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
