Overall Length:

4.290 inches

Overall Width:

1.750 inches

Center To Center Distance Between Bolt Holes Along Length:

2.250 inches

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5, t351 federal specification single material response

Surface Treatment:

Cadmium

Surface Treatment Specification:

Mil-c-8837, type 2, cl 3 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000

Mil-std (military Standard):

Mil-c-8837 spec.
