Inside Diameter:

4.000 inches

Construction:

Endless

Stock Size:

0.875 in. Dia.

Leather Covering:

Not included

Twist Link:

Not included

Criticality Code Justification:

Zzzy

Material:

Steel, corrosion resisting

Material:

Stainless steel

Reference Number Differentiating Characteristics:

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T252-a
