Overall Length:

10.000 inches

Overall Width:

4.810 inches

Lamination Quantity:

24

Lamination Thickness:

0.002 inches

Features Provided:

Nonseparable

Construction:

Laminated

Special Features:

Has two 0.930 inch holes through and 6.750 between centers, two beveled corners at 60 degrees, 1.250 in width, 2.180 in lg.

Material:

Steel

Style Designator:

Square

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A07000
