

View Online at <https://aerobasegroup.com/nsn/5365-01-049-4399>

Special Features:

3 alingment holes 0.333 in. Diameter unequally spaced

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11, t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
