

View Online at <https://aerobasegroup.com/nsn/5365-01-049-4399>

**Special Features:**

3 alingment holes 0.333 in. Diameter unequally spaced

**Material:**

Aluminum alloy 6061

**Material Specification:**

Qq-a-250/11, t6 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A07000
