Inside Diameter:

Between 1.870 inches and 1.875 inches

Outside Diameter:

Between 2.122 inches and 2.128 inches

Overall Thickness:

Between 0.015 inches and 0.020 inches

Special Features:

Color black

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-225/6, t4 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
