**Overall Length:**

0.656 inches

**Overall Width:**

0.478 inches

**Construction:**

One-piece

**Special Features:**

Irregular shape

**Material:**

Copper and zinc

**Material Specification:**

Qq-b-613, alloy 260, t h federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A07000
