Overall Length:

0.656 inches

Overall Width:

0.478 inches

Construction:

One-piece

Special Features:

Irregular shape

Material:

Copper and zinc

Material Specification:

Qq-b-613, alloy 260, t h federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
