Inside Diameter:

Between 1.800 inches and 1.808 inches

Outside Diameter:

2.100 inches

Overall Thickness:

0.032 inches

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-200/3, t8511 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A07000
