Construction:

One-piece

Special Features:

0.740 outside diameter; w/ a rectangular hole of 0.438 in by 0.385 in.; includes a cut out of 0.230 in. On one side

Material:

Plastic

Material Specification:

Mil-p-46112, type i military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000

Mil-std (military Standard):

Mil-p-46112 spec.
