**Overall Length:**

1.970 inches

**Overall Width:**

1.750 inches

**Lamination Quantity:**

20

**Lamination Thickness:**

0.003 inches

**Features Provided:**

Separable

**Construction:**

Laminated

**Special Features:**

Has 3 holes 0.250 in. Dia, 2 square corners, 2 round corners

**Material:**

Aluminum alloy

**Material Specification:**

Qq-a-250/1 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A07000
