Overall Length:

6.000 inches

Overall Width:

3.000 inches

Construction:

One-piece

Special Features:

2 slots 0.380 in. W, 2.190 in. Lg, 4.500 in. Center to center distance between slots

Material:

Aluminum alloy 1100

Material Specification:

Qq-a-250-a-250/1, temper h16 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
