Hole Diameter:

0.281 inches

Overall Length:

4.380 inches

Overall Width:

1.000 inches

Outside Corner Radius:

0.130 inches

Center To Center Distance Between Bolt Holes Along Length:

2.680 inches

Bolt Hole Quantity:

2

Material:

Steel comp 316l

Material Specification:

Qq-s-766, fin 1 federal specification single material response

Style Designator:

Non-circular w/corner radius

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
