**Inside Diameter:**

Between 4.089 inches and 4.099 inches

**Outside Diameter:**

Between 4.248 inches and 4.250 inches

**Overall Thickness:**

0.687 inches

**Special Features:**

0.030 in. Lg x 45 degrees cutout in corners

**Material:**

Steel comp 303 or steel comp 303se

**Material Specification:**

Astm a582 assn standard all material responses

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A07000
