Hole Diameter:

0.438 inches

Overall Length:

5.880 inches

Overall Width:

3.200 inches

Aperture Diameter:

2.875 inches

Outside Corner Radius:

0.440 inches

Center To Center Distance Between Bolt Holes Along Length:

5.000 inches

Bolt Hole Quantity:

6

Construction:

One-piece

Material:

Steel

Material Specification:

1e728, fscm 11083 mfr ref single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
