## NSN 5365-01-105-9626

Ring Spacer - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5365-01-105-9626

Inside Diameter:
Between 1.002 inches and 1.007 inches
Outside Diameter:
Between 1.095 inches and 1.105 inches
Overall Thickness:
0.062 inches
Criticality Code Justification:
Feat
Special Features:
Faces a and b to be parallel within 0.0005 in. Also outside edge has a medium straight knurl
Material:
Steel
Material Specification:
Astm a582, cond a assn standard single material response
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A07000
