Inside Diameter:

19.000 inches

Outside Diameter:

Between 21.360 inches and 21.440 inches

Overall Thickness:

2.200 inches

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-225/11, t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A07000
