Hole Diameter:

Between 0.281 inches and 0.312 inches

Center To Center Distance Between Bolt Holes Along Length:

2.560 inches

Bolt Hole Quantity:

2

Material:

Aluminum alloy 5083

Material Specification:

Qq-a-250/6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A07000
